Peace of Mind

When technology isn't working the way it's supposed to, frustration and helplessness can set in.

But don't worry!

We offer a program that warranties your home network so you never have to stress about your connection again.

Pro-Plan - \$10 a month.

Have a Plan

The pro-plan is for any eclipse-provided router. The plan does not cover drive time or additional labor.

We do not cover customer-supplied routers. If you cancel the plan within the first eight months, you may be invoiced for any routers provided during that time.

\$10 a month can give you peace of mind knowing your home network is in good hands.

Replacements are limited to two routers a year.

The Pro-Plan

What The Pro-Plan Includes

- Free standard router replacement & reprogramming.
- Over-the-phone technical support for troubleshooting router & software malfunctions.
- Over-the-phone assistance connecting devices to your network.

Does not include service calls to your home, additional service requests not regarding your router & reimbursement due to router malfunction.
